Nothing contained in this Declaration shall be construed to prevent the erection or maintenance by Declarant, or its duly authorized agents and contractors of improvements, structures or signs necessary or convenient to the development, sale, operation or other disposition of the Units or Improvements situate within the Project, provided that this exemption shall not be interpreted to impose limitations on the power of the Association to deal with Declarant that are more restrictive than the limitations imposed on the power of the Association to deal with other persons.

The reserve fund shall be funded through payments of the annual assessments and shall be held by the Association in a separate account, which may be an interest-bearing account, to be held in trust for the Owners for such purposes.

5.7 Capital Improvements. In addition to regular and special assessments, the Association may levy, in any assessment year, a special assessment for the purposes of defraying in whole or in part the cost of any capital Improvement upon the Project, including fixtures, landscaping or personal property related thereto, provided that such assessment shall have the assent of a majority of the members of the Association subject to the assessment.

5.8 Enforcement. In the event any assessment is not paid when due, the Association may enforce payment of such obligation by any or all of the following remedies:

5.8.1 The Association may elect to accelerate and declare immediately due and payable the remaining balance of regular or special assessments for such fiscal year.

5.8.2 The Association may bring a suit at law to collect the delinquent assessments, including any accelerated assessment. Any judgment rendered in such action shall include a sum for costs of suit, including reasonable attorney's fees.

5.8.3 All delinquent assessments shall be a lien on the Owner's Unit as provided for in Section 5.9.

5.8.4 Beginning with the second month of delinquency, a the Association may impose late fees in amounts established by the Association, and all delinquent amounts shall be charged interest at the rate of twenty-one percent (21%) per year, or such higher amount as allowed by law.

5.9 Out-of-State Owners Who Are Not Occupants. In the event an Owner shall not occupy his residence and shall further maintain his principal residence outside of the State of Colorado, the Board may, to insure and guarantee payment of the assessments provided herein, require such out-of-state Owner who does not occupy his residence to:

5.9.1 Post a surety bond with the Association indemnifying the Association against the default of such Owner in the payment of any assessment levied herein, the amount of such surety bond to be twice the amount of the regular assessment for the preceding fiscal year; or

5.9.2 Pay the regular assessment pursuant to Section 5.2 hereof in advance by the 10th day of the first month of the fiscal year; or

5.9.3 Either or both of the immediately preceding subsections of Section 5.8 hereof.

5.10 Lien for Assessments.

5.10.1 The Association has a statutory lien on a Unit for an assessment levied against that Unit or for fines imposed against its Owner. Fees, charges, late charges, attorney fees, fines and interest charged pursuant to this Declaration are enforceable as assessments under this Article. The amount of the lien shall include all those items set forth in this section from the time such items become due. If an assessment is payable in installments, each installment is a lien from the time it becomes due, including the due date set by any valid Association acceleration of installment obligations.

5.10.2 Recording of the Declaration constitutes record notice and perfection of the lien. No further recordation of any claim of lien for assessments is required. However, the Board of Directors or managing agent of the Association may prepare, and record in the county in which the applicable Unit is located, a written notice setting forth the amount of the unpaid indebtedness, the name of the Owner of the Unit, and a description of the Unit. If a lien is filed, the costs and expenses thereof shall be added to the assessment for the Unit against which it is filed and collected as part and parcel thereof. The Association's lien may be foreclosed in like manner as a mortgage on real estate.

5.10.3 A lien for unpaid assessments is extinguished unless proceedings to enforce the lien are instituted within six (6) years after the full amount of assessments becomes due.

5.11 Priority of Association Lien.

5.11.1 A lien under this Article 5 is prior to all other liens and encumbrances on a Unit except:

- (a) Liens and encumbrances recorded before the recordation of the Declaration;
- (b) A First Security Interest on the Unit, which was recorded or perfected before the date on which the assessment sought to be enforced became delinquent, except as provided in subsection 5.11.2; and
- (c) Liens for real estate taxes and other governmental assessments or charges against the Unit.

5.11.2 A lien under this Section is also prior to the First Security Interest described in the preceding subsection 5.11.1(b) to the extent of an amount equal to the annual assessment based on a periodic budget adopted by the Association as provided above which would have become due, in the absence of an acceleration, during the six (6) months immediately preceding institution by either the Association or any party holding a lien senior to any part of the Association lien created under this section of an action or a non-judicial foreclosure either to enforce or to extinguish the lien. Notwithstanding anything herein to the contrary or anything in the Act to the contrary, if federal law applies, no liens for assessments shall be prior to the lien of a mortgage insured or guaranteed by the FHA, VA or other Agencies to the extent required by such federal law.

5.11.3 This Section does not affect the priority of mechanics' or materialmen's liens or the priority of liens for other assessments made by the Association. A lien under this Article is not subject to the provisions of part 2 of Article 41 of Title 38, C.R.S., as amended, or to the provisions of section 15-11-201, C.R.S., 1973, as amended.

5.12 Statement of Status of Assessment Payment. Upon payment of a reasonable fee set from time to time by the Board and upon fourteen (14) days' written request to the Association's registered agent by personal delivery or mail, first-class postage prepaid, any Owner, designee of Owner, Security Interest Holder, prospective Security Interest Holder, or prospective purchaser of a Unit shall be furnished with a written statement setting forth the amount of the unpaid Assessments, if any, with respect to such Unit. Unless such statement shall be issued by personal delivery or by mail to the inquiring party (the date of posting being deemed the date of delivery) within fourteen (14) days after receipt of the request, the Association shall have no right to assert a lien upon the Unit over the inquiring party's interest for unpaid Assessments which were due as of the date of the request.

5.13 Maintenance Accounts; Accounting. If the Association delegates powers of the Board or its officers relating to collection, deposit, transfer or disbursement of Association funds to other persons or to a manager, then such other persons or manager must (a) maintain all funds and accounts of the Association separate from the funds and accounts of other associations managed by the other person or manager, (b) maintain all reserve and working capital accounts of the Association separate from the operational accounts of the Association, (c) provide to the Association no less than once per quarter an accounting for the previous quarter, and (d) provide to the Association an annual accounting and financial statement of Association funds prepared by the manager, a public accountant or a certified public accountant.

ARTICLE 6 **INSURANCE**

6.1 Insurance. The Association shall maintain the following types of insurance on the Project, to the extent that such insurance is reasonably available, considering the availability, cost and risk coverage provided by such insurance, and the cost of said coverage shall be paid by the Association as Common Expenses. In addition, the Association may maintain such insurance on such other property as the Board of Directors may determine in its discretion from time to time, or as may be hereinafter required. Notwithstanding any of the specific insurance requirements specified in this Article, the Association may also consider, in determining the types and amount of insurance it needs to obtain, the then-existing requirements of any of the agencies with respect to their insurance, guaranty or purchase of Security Interests.

6.1.1 Property insurance for broad form coverage causes of loss, including Units (but not the finished interior surfaces of the walls, floors and ceilings of the Units or anything within the air space bounded by those surfaces); except that the total amount of insurance must not be less than the full insurable replacement cost of all the insured property less applicable deductibles at the time the insurance is purchased and at each renewal date, exclusive of land, foundations, excavations and other matters normally excluded from property policies.

6.1.2 Commercial general liability insurance against claims and liabilities arising in connection with the ownership, existence, use or management of the Common Elements, insuring the Association in an amount not less than One Million Dollars (\$1,000,000.00) per occurrence, insuring the Board of Directors, the Association, any managing agent, and their respective employees, agents and all Persons acting as agents. The Declarant shall be included as an additional insured in such Declarant's capacity as an Owner and member of the Board. The Owners shall also be included as additional insureds but only for claims and liabilities arising in connection with the ownership, existence, use or management of the Common Elements. The insurance shall cover claims of one or more insured parties against other insured parties.

6.1.3 A policy providing comprehensive fidelity coverage or fidelity bonds to protect against dishonest acts on the part of officers, directors, trustees and employees of the Association and/or any independent contractor employed by the Association for the purpose of managing the Project and/or any Owner who controls or disburses funds of the Association, in an amount at least equal to the estimated maximum of funds, including maintenance reserves, in the custody of the Association at any given time; provided, however, that such fidelity coverage or fidelity bonds shall not be in an amount less than two (2) months aggregate assessments on the Units, plus such reserve funds as calculated from the current budget of the Association. The Association may carry fidelity insurance in amounts greater than required hereinabove and may require any independent contractor employed for the purposes of managing the Project to carry more fidelity insurance coverage than required hereinabove. In the event the Association has delegated some or all of its responsibility for the handling of funds to a managing agent, the Association may require the managing agent to purchase, at its own expense, a policy of fidelity insurance or bonds which fully complies with the provisions of this subparagraph 6.1.3.

6.2 General Provisions of Insurance Policies. All policies of insurance carried by the Association shall be carried in blanket policy form naming the Association as insured, or its designee as trustee and attorney-in-fact for all Owners, and each Owner shall be an insured person under such policies with respect to liability arising out of any Owner's membership in the Association. The policy or policies shall contain a standard non-contributory Security Interest Holder's clause in favor of each Security Interest Holder and a provision that it cannot be canceled or materially altered by either the insured or the insurance company until at least sixty (60) days' prior written notice thereof is given to the insured and each Security Interest Holder, insurer or guarantor of a Security Interest. The Association shall furnish a certified copy or duplicate original of such policy or renewal thereof, with proof of premium payment and a certificate identifying the interest of the Owner in question, to any party in interest, including Security Interest Holders, upon request. Any such Owner's policy shall also contain waivers of subrogation. All policies shall contain waivers of any defense based on invalidity arising from any acts or neglect of an Owner where such Owner is not under the control of the Association.

6.3 Deductibles. The Association may adopt and establish written nondiscriminatory policies and procedures relating to the submittal of claims, responsibility for deductibles, and any other matters of claims adjustment.

6.3.1 To the extent the Association settles claims for damages, it shall have the authority to assess negligent Owners causing such loss or benefiting from such repair or restoration all deductibles paid by the Association. In the event that more than any single Unit is damaged by a loss, the Association, in its reasonable discretion, may assess each Owner a pro rata share of any deductible paid by the Association.

6.3.2 Any loss to any Unit or to any Common Elements which the Association has the duty to maintain, repair and/or reconstruct, which falls within the deductible portion of such policy, shall be borne by the person who is responsible for the repair and maintenance of the property which is damaged or destroyed. In the event of a joint duty of repair and maintenance of the damaged or destroyed property, then the deductible may be apportioned among the persons sharing in such joint duty or may be partly or wholly borne by the Association, at the election of the Board of Directors. Notwithstanding the foregoing, after notice and hearing, the Association may determine that a loss, either in the form of a deductible to be paid by the Association or an uninsured loss, resulted from the act or negligence of an Owner, the Owner's tenants, family members, guests or invitees. Upon said determination by the Association, any such loss or portion thereof may be assessed to the Owner in question and the Association may collect the amount from said Owner in the same manner as any assessment.

6.4 Payment of Insurance Proceeds. Any loss covered by an insurance policy described in Section 6.1 of this Article must be adjusted with the Association, but the insurance proceeds for that loss shall be payable to any insurance trustee designated for that purpose, or otherwise to the Association, and not to any Security Interest Holder. The insurance trustee or the Association shall hold any insurance proceeds in trust for the Association, Owners and Security Interest Holders as their interests may appear. Subject to the provisions of Section 7.1 of this Declaration, the proceeds must be disbursed first for the repair or restoration of the damaged property; and the Association, Owners and Security Interest Holders are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the property has been completely repaired or restored or the Project is terminated.

6.5 Association Insurance as Primary Coverage. If at the time of any loss under any policy which is in the name of the Association, there is other insurance in the name of any Owner and such Owner's policy covers the same property or loss, or any portion thereof, which is covered by such Association policy, such Association policy shall be primary insurance not contributing with any of such other insurance. An Owner shall be liable to the Association for the amount of any diminution of insurance proceeds to the Association as a result of policies of insurance of an

Owner, and the Association may collect the amount from said Owner in the same manner as any assessment. Any such Owner's policy shall also contain waivers of subrogation.

6.6 Acceptable Insurance Companies. Each hazard insurance policy purchased by the Association must be written by a hazard insurance carrier which is authorized by law to do business in the State of Colorado. The Association shall not obtain any policy where (a) under the terms of the insurance company's charter, bylaws, or policy, contributions or assessments may be made against the mortgagor or mortgagee's designee, or (b) under the terms of the carrier's charter, bylaws, or policy, loss payments are contingent upon action by the carrier's Board, policy holders or members, or (c) the policy includes any limiting clauses (other than insurance conditions) which could prevent mortgagees or any Owner from collecting insurance proceeds.

6.7 Insurance to be Maintained by Owners. An insurance policy issued to the Association does not obviate the need for Owners to obtain insurance for their own benefit. Insurance coverage on the furnishings and other items of personal property belonging to an Owner, and public liability insurance coverage on each space within a Unit, shall be the responsibility of the Owner of such Unit.

6.8 Annual Review of Insurance Policies. All insurance policies carried by the Association shall be reviewed at least annually by the Board to ascertain that the coverage provided by such policies adequately covers those risks intended to be insured by the Association. In making the aforesaid determination, the Board or the managing agent of the Association may obtain a written appraisal from a duly qualified real estate or insurance appraiser, or seek other advice or assistance. Any Security Interest Holder shall be furnished with a copy of such appraisal upon request.

6.9 Notice of Cancellation. If the insurance that is required to be carried by the Association, as provided in Section 6.1 of this Article, is not reasonably available, or if any policy of such insurance is canceled or not renewed without a replacement policy therefor having been obtained, the Association promptly shall cause notice of that fact to be hand delivered, or sent prepaid by United States mail, to all Owners.

ARTICLE 7 **DAMAGE OR DESTRUCTION**

7.1 Damage or Destruction.

7.1.1 Any portion of the Project which is covered by a policy of insurance which is required to be carried by the Association under this Declaration and which is damaged or destroyed must be repaired or replaced promptly by the Association unless:

- (a) The Project is terminated;

- (b) Repair or replacement would be illegal under any state or local statute or ordinance governing health or safety;
- (c) Sixty-seven percent (67%) of the Owners, including every Owner of a Unit that will not be rebuilt, vote not to rebuild; or
- (d) Prior to the conveyance of any Unit to a Person other than the Declarant, the holder of a deed of trust or mortgage on the damaged portion of the Condominiums rightfully demands all or a substantial part of the insurance proceeds.

7.1.2 The cost of repair or replacement that is covered by insurance carried by the Association, but which is in excess of insurance proceeds and reserves, is a Common Expense. If the entire Project is not repaired or replaced, the insurance proceeds attributable to the damaged Common Elements must be used to restore the damaged area to a condition compatible with the remainder of the Project, and except to the extent that other persons will be distributees, the insurance proceeds attributable to Units that are not rebuilt must be distributed to the Owners of those Units or to lienholders, as their interests may appear, and the remainder of the proceeds must be distributed to all the Owners or lienholders, as their interests may appear, in proportion to the Allocated Interests of all the Units. If the Owners vote not to rebuild any Unit, that Unit's Allocated Interests are automatically reallocated upon the vote as if the Unit had been taken by eminent domain, and the Association promptly shall prepare, execute and record an amendment to the Declaration reflecting such reallocations.

7.2 Use or Distribution of Insurance Proceeds. In the event of damage or destruction to all or a portion of the Common Elements, due to fire or other adversity or disaster, the insurance proceeds, if sufficient to reconstruct or repair the damage, shall be applied by the Association to such reconstruction and repair. If the insurance proceeds with respect to such damage or destruction are insufficient to repair and reconstruct the damaged or destroyed area, the Association shall levy a special assessment in the aggregate amount of such insufficiency pursuant to Section 5.3 of Article 5 hereof, and shall proceed to make such repairs or reconstruction. No distributions of insurance proceeds shall be made unless made jointly payable to the Owners and any Security Interest Holders of their respective Units. The assessment provided for herein shall be a debt of each Owner and a lien on the Owner's Unit and the Improvements thereon, and may be enforced and collected in the same manner as any assessment provided for in this Declaration.

7.3 Destruction of Units. If due to casualty, or for any other reason, the space within a Unit shall be destroyed or damaged, then the Owner thereof shall, within a reasonable time thereafter, not to exceed one hundred twenty (120) days after the event resulting in such damage or destruction, commence and diligently pursue repair and reconstruction of the space within a

Unit, using any available personal insurance proceeds and personal funds of such Owner, unless the Common Elements are not repaired and reconstructed as hereinabove provided.

ARTICLE 8
PROPERTY RIGHTS IN THE GENERAL COMMON ELEMENTS

8.1 **Owners' Easements.** Subject to the provisions of Section 8.2 of this Article, every Owner shall have a nonexclusive right and easement of enjoyment in and to the General Common Elements, plus a right and easement of ingress and egress over, across and upon the General Common Elements, for the purpose of access, ingress and egress to and from his or her Unit and public ways, for both pedestrian and vehicular travel, which rights and easements shall be appurtenant to and pass with the transfer of title to every Unit.

8.2 **Extent of Owners' Easements.** The rights and easements created hereby shall be subject to the following:

8.2.1 The terms, provisions, covenants, conditions, restrictions, easements, reservations, uses, limitations, and obligations contained in this Declaration; and

8.2.2 The right of the Association, in accordance with its Articles and Bylaws, to borrow money for the purpose of improving the General Common Elements and to mortgage said property as security for any such loan; provided, however, that the Association may not subject any portion of the General Common Elements to a Security Interest unless such is approved by Members casting at least sixty-seven percent (67%) of the votes in the Association, including sixty-seven percent (67%) of the votes allocated to Units not owned by the Declarant; and

8.2.3 The right of the Association to take such steps as are reasonably necessary to protect the General Common Elements against foreclosure; and

8.2.4 The right of the Association to promulgate, amend, repeal, re-enact and publish rules and regulations with which each Member shall strictly comply; and

8.2.5 The right of the Association to regulate and/or restrict vehicular parking, storage and repairs; and

8.2.6 The right of the Association to suspend the voting rights of a Member for any period during which any assessment against the Member's Unit or any other amount due from such Member to the Association remains unpaid and greater than 60 days in arrears and, for a period not to exceed sixty (60) days, for any infraction of the Bylaws of the Association or the Association's rules and regulations; and

8.2.7 The right of the Association to dedicate or transfer all or any part of the General Common Elements to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the Members, provided that no such dedication or transfer shall be effective unless first approved by the Members entitled to cast at least sixty-seven percent (67%) of the votes in the Association, including sixty-seven percent (67%) of the votes allocated to Units not owned by the Declarant and unless written notice of the proposed agreement and the proposed dedication or transfer is sent to every Member at least thirty (30) days in advance of any action taken. Notwithstanding the foregoing, the granting of permits, licenses and easements for public utilities, roads or for other purposes reasonably necessary or useful for the proper maintenance or operation of the Project shall not be deemed a transfer within the meaning of this subsection 8.2.7; and

8.2.8 The right of the Association, through the Board, to enter into, make, perform or enforce any contracts, leases, agreements, licenses, easements and rights-of-way, for the use of real property or Improvements by Owners, other Persons, their family members, guests and invitees, for any purpose(s) the Board of Directors may deem to be useful, beneficial or otherwise appropriate; and

8.2.9 The right of the Association to close or limit the use of the General Common Elements while maintaining, repairing and making replacements in the General Common Elements.

8.3 New Additions to General Common Elements. The Association shall have the right to construct new additions to the General Common Elements. Ownership of any such additions to the General Common Elements shall be apportioned among all Units in proportion to the respective undivided interest in the General Common Elements appurtenant thereto. The Common Expenses for any such additions to the General Common Elements shall be apportioned among all Units as provided in Article 5 hereof. The construction of new additions to the General Common Elements shall not affect an Owner by way of modification of the Owner's voting power in the Association.

8.4 Conveyance or Encumbrance of General Common Elements.

8.4.1 Portions of the General Common Elements may be conveyed or subjected to a Security Interest by the Association only if persons entitled to cast at least sixty-seven percent (67%) of the votes in the Association, including sixty-seven percent (67%) of the votes allocated to Units not owned by the Declarant, agree to that action.

8.4.2 An agreement to convey General Common Elements or subject them to a Security Interest must be evidenced by the execution of an agreement, or ratification thereof, in the same manner as a deed, by the requisite number of Owners. The

agreement must specify a date after which the agreement will be void unless recorded before that date. The agreement and all ratifications thereof must be recorded in every county in which a portion of the Project is situated and is effective only upon recordation.

8.4.3 The Association, on behalf of all Owners, may contract to convey an interest in the Project pursuant to subsection 8.4.1 of this section, but the contract is not enforceable against the Association until approved, executed and ratified. Thereafter, the Association has all powers necessary and appropriate to effect the conveyance or encumbrance, including the power to execute deeds or other instruments.

8.4.4 Unless in compliance with this section, any purported conveyance, encumbrance, judicial sale or other transfer of General Common Elements is void.

8.4.5 A conveyance or encumbrance of General Common Elements pursuant to this section shall not deprive any Unit of its rights of ingress and egress to the Unit and support of the Unit.

8.4.6 A conveyance or encumbrance of General Common Elements pursuant to this section does not affect the priority or validity of preexisting encumbrances.

8.5 Acquiring and Disposing of Real and Personal Property. The Association may acquire, own and hold for the use and benefit of all Owners tangible and intangible personal property and real property for such uses and purposes as the Board may in its discretion deem appropriate from time to time, and may dispose of the same by sale or otherwise. The beneficial interest in any such property shall be deemed to be owned by the Owners in the same undivided proportion as their respective undivided interests in the Common Elements. Such beneficial interest of an Owner shall not be transferable except with the transfer of that Owner's Unit. Transfer of a Unit, including transfer pursuant to foreclosure, shall transfer to the transferee ownership of the transferor's beneficial interest in such personal and/or real property without any reference thereto. Each Owner may use such personal and/or real property in accordance with the purposes for which such property is intended and in accordance with such conditions, limitations, restrictions, and rules and regulations as may be placed on any such property by the Board in its sole discretion from time to time, provided that such use of any Owner shall not hinder or encroach upon the lawful rights of other Owners.

8.6 Payment of Taxes or Insurance by Security Interest Holders. Security Interest Holders shall have the right, jointly or singly, to pay taxes or other charges or assessments which are in default and which may or have become a lien against the Common Elements and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common Elements, and any Security Interest Holders making any such payments shall be owed immediate reimbursement therefor from the Association.

ARTICLE 9
CONVEYANCES, OWNERSHIP AND TAXATION OF UNITS

9.1 Contracts Entered Prior to Recording of Condominium Map and Declaration. A contract or other agreement for the sale of a Unit entered into prior to the filing for record of the Map and/or this Declaration in the office of the Clerk and Recorder of the County of Mesa, Colorado, may legally describe such Unit in the manner set forth in Section 9.2 of this Article and may indicate that the Map and/or this Declaration are to be recorded. Upon recordation of the Map and this Declaration in the County of Mesa, Colorado, such description shall be conclusively presumed to describe the corresponding Unit shown on the Map and such Unit shall be subject in all respects to this Declaration.

9.2 Contracts Entered into Subsequent to Recording of Condominium Map and Declaration. Subsequent to the recording of the Map and this Declaration, every contract, deed, lease, mortgage, deed of trust, will and every other instrument affecting title to a Unit may legally describe that Unit substantially as follows:

Unit ____, Vistas at Tiara Rado Condominiums, according to the Condominium Map for Vistas at Tiara Rado Condominiums, recorded on _____ 20__, at Reception No. _____, in the records of the office of the Clerk and Recorder of the County of Mesa, Colorado, and as defined and described in the Declaration of Covenants, Conditions and Restrictions of Vistas at Tiara Rado Condominiums, recorded on _____ 20__, at Reception No. _____ in said records.

9.3 Legal Effect of Description.

9.3.1 Every contract, deed, lease, mortgage, deed of trust, will and every other instrument affecting title to a Unit which legally describes said Unit substantially in the manner set forth in Section 9.2 of this Article shall be good and sufficient for all purposes to sell, convey, transfer, encumber or otherwise affect the Unit, including the undivided interest in the Common Elements appurtenant thereto and all other appurtenant properties and property rights, and to incorporate all of the rights, limitations and burdens incident to ownership of a Unit as described in this Declaration and the Map. Each such description shall be construed to include a nonexclusive easement for ingress and egress to and from each Unit and the use of all the Common Elements, all as more fully provided in this Declaration.

9.3.2 It shall not be necessary to use the term "unit" as a part of the legally sufficient description of a Unit.

9.4 Taxation. Each Unit shall be assessed separately for all taxes, assessments and other charges of the State of Colorado, any political subdivision thereof, any special improvement district, and any other taxing or assessing authority, in accordance with the Act. For the purpose of such assessments, the valuation of the Common Elements shall be apportioned among the Units in proportion to the undivided interest in the Common Elements appurtenant to the Unit in question. The Association shall furnish to the Tax Assessor of the County of Mesa, Colorado, and to all other appropriate persons and authorities, all necessary information with respect to such apportionment. No forfeiture or sale of any Unit for delinquent taxes, assessments or other governmental charges shall divest or in any way affect the title to any other Unit.

9.5 Inseparability. Each Unit, as well as all other appurtenances, rights and burdens connected therewith, shall be inseparable and may be transferred, conveyed, leased, devised, encumbered or otherwise disposed of only as a Unit. Every conveyance, transfer, devise, lease, encumbrance or other disposition of a Unit shall be deemed to be a conveyance, transfer, devise, lease, encumbrance or other disposition, as the case may be, of the entire Unit, together with all appurtenant rights, interests, duties and obligations created by law or by this Declaration.

9.6 Non-Partitionability. The Common Elements shall be owned in common by all of the Owners and shall remain undivided and not subject to partition, such that any purported conveyance, encumbrance, judicial sale or other voluntary or involuntary transfer of an undivided interest in the Common Elements made without the Unit to which that interest is allocated is void. By the acceptance of a deed or other instrument of conveyance or assignment, each Owner specifically waives the Owner's right to institute and/or maintain a partition action or any other action designed to cause a division of the Common Elements. Furthermore, each Owner agrees that this Section may be pleaded as a bar to the maintenance of such an action. Any violation of this Section shall entitle the Association to collect, jointly and severally, from the parties violating the same, the actual attorneys' fees, costs, expenses and all damages which the Association incurs in connection therewith.

ARTICLE 10 MECHANIC'S LIENS

10.1 Mechanic's Liens. No labor performed and/or materials furnished for use and incorporated in any Unit with the consent or at the request of the Owner thereof, the Owner's agent, contractor or subcontractor, shall be the basis for the filing of a lien against a Unit of any other Owner not expressly consenting to or requesting the same, or against any interest in the Common Elements except as to the undivided interest therein appurtenant to the space within the Unit of the Owner for whom such labor shall have been performed or such materials furnished. Each Owner shall indemnify and hold harmless each of the other Owners and the Association from and against any liability or loss arising from the claim of any mechanic's lien against the Unit of any other Owner, the Common Elements, or any part thereof, for labor performed and/or materials furnished in work on the first Owner's Unit.

10.2 Enforcement by the Association. At its own initiative or upon the written request of any Owner or any Security Interest Holder, if the Association determines that further action by it is proper and the mechanic's lien(s) are not disputed claims with a reasonable basis for such dispute, the Association, after notice and hearing, shall enforce the indemnity provided by Section 10.1 of this Article by collecting from the Owner of the Unit on which the labor was performed and/or materials furnished, the amount necessary to discharge any such mechanic's lien, including all costs and reasonable attorneys' fees incidental thereto, and obtain a discharge of such lien. In the event that the Owner of the Unit on which the labor was performed and/or materials furnished refuses or fails to so indemnify within seven (7) days after the Association shall have given notice to such Owner of the total amount, or any portions thereof, from time to time, to be indemnified, then the failure to so indemnify shall be a default by such Owner under the provisions of this Section 10.2 and such amount to be indemnified shall be and constitute an additional assessment for collection by the Association subject to all of the provisions of Article 5 hereof.

10.3 Effect of Part Payment. In the event a lien attributable to labor performed and/or materials furnished on the Project or any portion thereof, is effected against two or more Units, the Owner(s) of any of the affected Units may pay to the lienholder the amount of the lien attributable to such Owner's Unit and the lienholder shall release such Unit from the lien. Partial payment and release of any such lien with respect to any Unit(s) shall not prevent the lienholder from enforcing his or her rights against the Unit(s) for which payment has not been received.

ARTICLE 11

ALTERATION AND TERMINATION/RIGHTS OF SECURITY INTEREST HOLDERS

11.1 Approval by Members and Security Interest Holders of First Security Interests. Notwithstanding any provisions of this Declaration to the contrary, the Association shall not:

11.1.1 Except as provided by statute, in case of condemnation or substantial loss to the Units and/or Common Elements, unless it has obtained the prior written approval of the Owners (other than the Declarant) casting at least sixty-seven percent (67%) of the votes in the Association or of those Security Interest Holders holding at least sixty-seven percent (67%) of the First Security Interests (based upon one vote for each First Security Interest owned):

- (a) by act or omission seek to abandon or terminate the Project;
- (b) change the pro rata interest or obligations of any Unit in order to levy assessments or charges, allocate distribution of hazard insurance proceeds or condemnation awards, or determine the pro rata share of ownership of each Unit in the Common Elements;
- (c) partition or subdivide any Unit;

(d) seek to abandon, partition, subdivide, encumber, sell, or transfer the Common Elements by act or omission. The granting of easements for public utilities or other public purposes consistent with the intended use of the Common Elements by the Project is not a transfer within the meaning of this clause;

(e) use hazard insurance proceeds for losses to any condominium property (whether Units or Common Elements) for other than the repair, replacement, or reconstruction of such condominium property.

ARTICLE 12
RESERVED DEVELOPMENT AND SPECIAL DECLARANT RIGHTS:
THE RIGHT TO COMBINE UNITS

12.1 Reserved Development Rights of Expansion. Declarant reserves the right for itself and any successor Declarant at any time and from time to time to subject additional phases of the Expansion Property to the provisions of this Declaration to include additional Units, not to exceed 42 units, the maximum number of Units indicated in Section 1.21 herein, and to expand the Common Elements.

12.2 Supplemental Declarations and Supplemental Plats. Such expansion may be accomplished by the filing for record by the Declarant in the office of the Clerk and Recorder one or more supplemental Declarations and supplemental Maps setting forth the Units and other real property, if any, to be included in the expansion, together with any covenants, conditions, restrictions and easements particular to such property. The expansion, which shall not cause the

Project to contain more Units than the number of Units permitted under Section 1.21 herein, may be accomplished in stages by successive supplements or in one supplemental expansion. The Declarant may exercise such rights for expansion on all or any portion of the Expansion Property in whatever order of development the Declarant, in its sole discretion, determine. All improvements to be constructed on the Expansion Property shall be substantially completed prior to the recording of the supplemental Declaration and Map adding additional Units and the improvements shall be consistent with the Units hereby submitted to the Declaration in structure type and quality of construction. The Declarant shall not be obligated to expand the Project beyond the number of Units initially submitted to this Declaration.

12.3 Expansion of Definitions. In the event of such expansion, the definitions used in this Declaration shall be expanded automatically to encompass and refer to the Property subject to this Declaration as so expanded. For example, "Unit" shall mean the Units as shown on the Map plus any additional Units added by any supplemental Declarations and supplemental Maps, and reference to this Declaration shall mean this Declaration as supplemented. All conveyances of Units shall be effective to transfer rights in the Property as expanded.

12.4 Declaration Operative on Expansion Property. Units added by supplemental Declarations and Maps shall be subject to all of the terms and conditions of this Declaration and of any supplemental Declarations, upon recording the supplemental Map(s) depicting the Expansion Property and supplemental Declaration(s) with the Clerk and Recorder. In the event that a portion of the Expansion Property is submitted to the provisions of this Declaration, Declarant shall retain the right to, but shall not be obligated to, submit any additional portion the Expansion Property to the provisions of this Declaration. The rights of Declarant and any successor Declarant, as described herein, shall apply to all Units which are added to this Declaration in accordance with these provisions relating to enlargement thereof.

12.4.1 No rights or obligations of any character of any owner in Units in the Expansion Property shall attach until a supplemental Declaration and supplemental Map are filed with the Clerk and Recorder annexing the Units constructed in such area to the Project.

12.4.2 Notwithstanding any inclusion of additional Units under this Declaration, each Owner (regardless of whether such Owner is the owner of a Unit shown on the original Map or is the owner of a Unit constructed in the Expansion Property and included by a supplemental Declaration and Map) shall remain fully liable with respect to his obligation for the payment of the Common Expenses of the Association, including the expenses for such new Common Area, costs and fees, if any. The recording of a supplemental Declaration or supplemental Map shall not alter the amount of the Common Expenses assessed to a Unit prior to such recording.

12.5 Reservation of Withdrawal Rights. The Declarant reserves the right for itself and any successor Declarant at any time and from time to time to withdraw from the provisions of this Declaration individual Units and/or Common Elements, provided however that none of the real estate may be withdrawn after any Unit has been conveyed by the Declarant to a purchaser.

12.6 Other Reserved Rights. The Declarant reserves the right at any time and from time to time to: (a) complete improvements indicated on the Map, (b) maintain and relocate sales offices, management offices, signs advertising the Project and models, of any size, within one or more Units and within the General Common Elements so long as the Declarant or any successor Declarant continues to be an Owner of a Unit or, if earlier, ten (10) years from the recording of this Declaration with the Clerk and Recorder, (c) subject the Project to a master association, and (d) merge or consolidate the Project with a common interest community of the same form of ownership.

12.7 Termination of Rights. The rights reserved to the Declarant in this Article shall expire, unless sooner terminated as required by the Act, twenty (20) years from the date of recording this Declaration, unless such rights are (i) extended as allowed by law or (ii) reinstated or extended by the Association, subject to whatever terms, conditions, and limitations the Board may impose on the subsequent exercise of the rights by the Declarant.

ARTICLE 13
GENERAL PROVISIONS AND MISCELLANEOUS

13.1 Enforcement. The Association, or any Owner, shall have the right to enforce by any proceeding at law or in equity all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter, or a waiver of any other or subsequent breach of any covenant, condition or restriction herein contained.

13.2 Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall not affect any other provisions which shall remain in full force and effect.

13.3 Amendments. The covenants and restrictions of this Declaration shall run with and bind the land in perpetuity. This Declaration may be amended by the Declarant at any time prior to the recording of the first deed from the Declarant to an Owner. Thereafter, this Declaration shall only be amended by vote or agreement of Owners of Units to which at least sixty-seven percent (67%) of the votes in the Association are allocated. Any amendment must be recorded.

13.4 Limitation on Association. Any action, resolution or attempted action of the Association in conflict with any term or provision of this Declaration shall be void and of no force and effect whatsoever.

13.5 Notice. Notice of matters affecting the Project may be given to Owners by mailing such notice by first class mail to the last address provided by the Owner to the Association. If no address has been provided by Owner, such notice shall be mailed to the address of Owner's Unit.

*SECOND AMENDMENT TO THE DECLARATION OF
COVENANTS, CONDITIONS AND RESTRICTIONS OF
VISTAS AT TIARA RADO HOMEOWNERS ASSOCIATION*

This SECOND AMENDMENT TO THE DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS OF VISTAS AT TIARA RADO HOMEOWNERS' ASSOCIATION ("second Amendment") is made as of June 19th, 2024, by the affirmative vote of sixty-seven percent (67%) of the Members of the Vistas at Tiara Rado Homeowners Association ("Association").

- A. A Declaration of Covenants, Conditions and Restrictions of Vistas at Tiara Rado was recorded November 16, 2012, at Book 5389, Page 43, Reception No. 2633622, Mesa County Records.

The Declaration is hereby amended as follows:

In Article II, Section 5 (a-n), is amended to add:

PARKING:

There are sufficient parking spaces within the development boundaries to provide adequate parking to all residents. Occupants may park in their garages, driveway, or designated parking areas west of Building 2 (the "overflow parking" or "OP" area). The OP parking area shall be available first to units with a one car garage and shall be named and numbered accordingly. Units 101, 201, 301, 401, and 501 will have designated spaces solely for their use. The balance of the other on property/site OP will be for the other unit owners of the Vistas @ Tiara Rado use and will be on a first come first serve basis. Vista owners who are not using OP can give other Vistas unit owner's permission to use their parking spaces temporarily.

(a). Only approved motor vehicles may be parked in the OP area or in unit driveways. An approved motor vehicle is any conventional passenger vehicle, motorcycle, personal van, or pickup truck. Unapproved vehicles include commercial vehicles, vehicles with signage, ladders or other tools and implements attached thereto and recreational vehicles, trailers, campers, or boats. Taxicabs and commercial vehicles are permitted to park in the driveways and the OP area only if such vehicle is owned by the Unit Owner and is the sole vehicle of the Unit Owner.

(b). Visitors are similarly limited to the garages, driveways, and OP area, except in the event that are attending a social function being hosted by a Unit Owner and sufficient parking does not exist to accommodate the guests. In such instances, provided that reasonable fire and transportation access (to all units) can be maintained, visitors may park on the curbs. Such exceptions should not occur more than once per month for any unit, and the Association may monitor and discontinue the right of any Unit Owners to benefit from this exception.

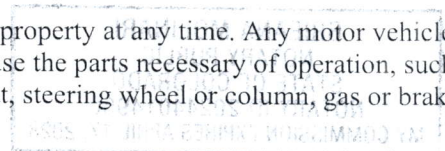

(c). No motor vehicle shall be parked in violation of any posted sign. No more than one vehicle shall be parked in any designated space with the exception that two motorcycles may use a single space.

(d). No motor vehicle shall be parked in an area designated for pedestrian use.

(e). No motor vehicle shall be parked in such a manner or area that obstructs the safe, free flow of vehicular traffic or obstructs the movement of other vehicles into and out of the common elements.

(f). Any vehicle parked in a fire lane is subject to immediate towing at the vehicle owner's expense.

(g). No junk or derelict vehicle shall be parked on the Association property at any time. Any motor vehicle, trailer or semi-trailer that cannot be operated in its existing condition because the parts necessary of operation, such as, but not limited to, tires, wheels, windshield, engine, drive train, driver's seat, steering wheel or column, gas or brake

pedals, are removed, damaged or destroyed, or has a deteriorated body condition, shall be deemed to be a junk or derelict vehicle, regardless of the display of valid state license/registration or inspection sticker.

(h). No vehicle shall remain on the Condominium Property unless it has current registration tags and plates.

(i). Any vehicle of which cannot be identified and/or owner located shall be deemed an abandoned vehicle.

(j). Except of minor emergency repairs, the repairing of vehicles, including the painting thereof, is not permitted at any time on the common elements. The intentional drainage of motor vehicle fluids is prohibited.

(k). No individual may place storage containers or make any other additions or alterations to any parking spaces without the prior written consent of the Association.

(l). Parking spaces are designated only for parking of approved motor vehicles. No other items or articles of any kind may be stored in the OP area.

(m). The Association has the sole authority to promulgate, adopt and amend these parking rules.

(n). Owners of units whose residents and/or guests violate this policy shall be held liable for any damages to the community caused directly or indirectly by the violation to include the cost of enforcement which shall also cover legal costs.

The Association has adopted this amendment as a convenience to owners and tenants. It does not assume the role of parking monitor or enforcer. If a parking situation occurs, the parties concerned are encouraged to address the issue on their own in a neighborly fashion before towing or involving the Association or the property management company.

In all other respects, the Declaration of Covenants, Conditions and Restrictions of Vistas at Tiara Rado Homeowners Association, shall remain in full force and effect.

Executed as of the 19 day of June, 2024.
