Page 6:

#G: All homeowners may have up to, but not to exceed, 4 drips for flower pots, irrigated from the HOA's domestic water irrigation drip system.

Breezeway pots will still need to be watered from homeowner's home tap or hose bids located on patios or the front of the building.

Approved by Board of Managers:

Randy Thompson - President 

Bobby Belcastro - Vice-President 

Dena Thompson - Secretary/Treasurer
