

Park Drive Condominiums

Rules & Regulations

1. Parking
 - a. Only one compact car per unit may park directly behind their specific unit in line with the back patio.
 - b. Non-compact vehicles must park in the spaces in front of each unit or in overflow parking.
 - c. There are two spaces provided to each unit out front. There is overflow parking located in between the buildings in the back.
2. Residents are responsible for removing the snow from their patios and sidewalks.
3. Patios are not to be used as storage. Please limit items on patios to patio furniture, potted plants, and barbeques.
 - a. If you are interested in a small storage shed for your back porch, it must be approved by the Board of Directors.
4. No dumping of furniture, building materials, moving boxes, and other bulky items. Units will be individually assessed for haul away services if necessary.
