

Treehaven Quarterly HOA Mtg- October 10, 2016

Present: Jo Anne Pritza, President

Joanna Hedberg, VP

Peggy Fisher, Secretary

1) Landscape: The Board toured the property:

a) In the Spring we will have Josh Thompson, our landscape contractor remove the infected sod and re-sod front yards of Units 1596 and 1600 and Unit 1645. These weeds have been a problem for over two years which we believe were pollinated by a particular ornamental grass plant that we have had removed from those sites.

b) New bushes will be put in front of 1545 and back patio of 1645.

c) We will contact owner of 1625 and discuss removal of 3-4 Arbor Vitae at edge of back patio and then re-sod to fence.

2) Since we have a new Board member we will meet with Heritage Property Management to review our HOA insurance coverage with Mike Daniels from American Family Insurance. Report to follow.
